Smart School | English Speaking Environment
Day Boarding | Creche | Sports Facilities
International Exposure | Individual Care
No Home Work | Reasonable Fee | Library

ABOUT US

We thrive to teach children how to think, not what to think. With our inclusive, yet avant-garde education program we encourage the culmination of personal thought within in every child's mind. Our aim therefore is not to simply provide schooling, but complete education to the young minds at work.

WE BRING EDUCATION TO YOU

Made accessible by transportation service, PAN World School aims to provide accessible education to all and sundry. Made possible by Skype classrooms, we provide worldwide exposure to our students to ensure an aware individual thought in each one of them. With regular meetings between parents and the teaching staff we keep you acquainted with your child's development.

FACILITIES

- Easy access by bus service.
- Spacious classrooms.
- Smart Classrooms, Skype lectures.
- Well qualified faculty.

TEACHING METHODOLOGY

- High quality education programs matching international standards.
- Dedicated management, faculty and staff with Integrated approach to learning.
- Smart classrooms with provision for excellent IT enabled education, Science and Math Lab.
- Tie-up with renowned educational service providers for high-tech & IT-enabled multi sensory teaching methods and content in class rooms.
- The syllabus covered using computer generated graphics, animations, 3S images and video clips.
- Well-equipped Science & Computer labs to help students to get three dimensional information and practical knowledge in their respective subjects

TEACHERS ORIENTATION : IMPLEMENTATION OF NEW METHODOLOGY

- We do not believe that induction of teachers with brilliant academic achievement behind them together with long experience can alone elevate the academic standard of schools. Time to time training and orientation imparted to teachers can equip them with the developments and fresh invented methods, which would ultimately be instilled in students to help their intellectual growth. Renowned Academicians with vast experience conduct the Orientation programmes and train the Teachers.
- Retention of teachers plays a vital role in sustaining the progress of the institution. Provision is therefore, made to accord wide recognition to the loyalty, sincerity and dutifulness of teachers with package of benefit in deserving cases. A congenial working environment with recreation need is provided in order to generate new spirit in teachers and develop in them a sense of attachment.

SCHOOL CURRICULUM : STRENGTHENING THE ROOTS

- Pre-Primary Section : (Montessori I, II & III) Cognitive skills are germinated by play way method, outdoor activities and physical fitness is given prime importance.
- Primary Section : (Grade I to Grade V) English, Hindi along with fundamentals of Mathematics, General Science, Arts, Music, Dance, Physical Education are taught. Our students develop creativity, logical thinking, analytical abilities and physical fitness along with rich values with respect and care.
- At PAN World School, we look forward to provide cost effective quality education to ensure right to education is served to every child. Certain scholarships programs shall also be run for deserving candidates that qualify a set criteria. The scholarships shall be based on separate exam results.
